Maymester Abroad in Genoa, Italy

May 17-20, 2022: on campus
May 23-June 11, 2022: in Italy

Info Session: TBD

GERO 498: Nutrition, Genes, Longevity and Diseases
4 units

Learn directly from internationally renowned expert Dr. Valter Longo about the important role of nutrition and genes and the impact each has on longevity and diseases. Students observe how typical Genoans live and will experience the Mediterranean lifestyle through hands-on activities and field trips.

For more information, or to RSVP for an info session, please contact Sara Robinson, sararobi@usc.edu
