

## Overview

## GERO 493: Longevity and Death among Ancient and Modern European Populations

May 14 – June 12, 2018

We will travel through Italy and explore the role of religion and culture in determining and defining death practices, ceremonies, and other customs. Class discussions and field trips will demonstrate the strong connection between religious and afterlife beliefs and body disposal practices.

**Cities include: Munich, Germany; Bolzano, Venice, Florence, Orvieto, & Rome, Italy**

Price: \$2,000 (plus tuition & airfare); includes all lodging\*, breakfasts, and intra country transportation.
