FOR USC FACULTY & STAFF
Defensive Driving training is online in Trojan Learn

Please follow these **5** simple steps:

1. Login to Trojan Learn (trojanlearn.usc.edu) with your **USC username** and **password**.

2. Search for the "**Defensive Driving**" online course.

3. Click on the course title, and then click "**Launch**."

4. Complete the course by viewing all pages and scoring 70% or higher on the test.

5. Optional: Print your test scores report from the course player for your records. (Document icon > Print Scores/Completion Status)

If you have any questions about the online course, please contact the USC Defensive Driving Program at defensive.driving@usc.edu.

Your completion is tracked in Trojan Learn instead of a paper certificate.

Trojan Learn is USC's first university-wide learning and development platform
for employees. Trojan Learn is provided by USC Talent Management.
