

Meeting Agenda

International Meeting on Biological Risk in Population Surveys

Tuesday, April 9, 2013

Sheraton New Orleans - Cornet & Foryer Rooms, 8th Floor

8:15 - 9:00: Continental Breakfast

9:00 - 9:15: Welcome - Teresa Seeman, Eileen Crimmns, Richard Suzman

9:15 -10:45: Overviews of Studies - 5 minutes for each study to outline

- the basic study design
- who was sampled
- what biomarkers are included
- any issues relating to biomarker collection or analysis

10:45-11:00: BREAK

11:00-11:45: Validating a laboratory and managing quality control over time
Illustrative example based on experiences in China, India and Indonesia - Peifeng (Perry) Hu

11:45-12:30: Lunch

12:30 - 4:00: General group Session to Discuss Issues and Prioritize Next Steps

12:30 - 1:00: General Overview of the issues – Teresa Seeman

1:00 – 2:00: Group discussion – Solicit study's examples

How they have dealt with issues including:

- (1) within country laboratory set-up and validation and
- (2) identified constraints for cross-country comparative work

2:00 - 2:15: Break

2:15 - 4:00: General Group Discussion

- (1) identify additional issues not yet discussed
- (2) "next steps" or what can be done to improve things in terms of both quality of data within each country and our ability to harmonize

4:00: ADJOURN MEETING

International Meeting on Biological Risk in Population Surveys
Sheraton New Orleans
Population Association of America Annual Conference
