

Better Together

DEMENTIA CARE STUDY

Keck School of Medicine of USC

USC Invites **YOU** to take part in the
Better Together Dementia Care Study

What We Hope To Learn...

We hope to learn more about the relationship between those with dementia and their care partner

Are you Eligible?

Those with dementia must:

- ✓ Be 65 years of age or older
- ✓ Live in Southern California
- ✓ Not live in a nursing home
- ✓ Know English or Spanish
- ✓ Have a care partner to help answer questions

Care partner must:

- ✓ Be in contact with the person with dementia at least 10 hours a week
- ✓ Be 18 years of age or older
- ✓ Speak English or Spanish

Would you like to share your valued experience to make a difference for others?

Link out to our Interest Form: <https://bit.ly/USCBetterTogether>
