---

### **Appointments**

University of Southern California, Los Angeles, California  
Postdoctoral Fellow, Leonard Davis School of Gerontology (T32-AG000037)  
August 2021 – Present

### **Education**

University of South Carolina, Arnold School of Public Health  
Doctor of Philosophy – Epidemiology  
August 2021

University of Pittsburgh, Graduate School of Public Health  
Master of Public Health – Infectious Diseases and Microbiology  
December 2016

University of Central Florida  
Bachelor of Science – Health Sciences Pre-Clinical  
With Honors  
May 2015

---

### **Professional Certificates**

Certified in Public Health  
February 25<sup>th</sup>, 2017 – Present  
NBPHE Number: 13506

Certificate of Graduate Study in Aging  
August 2021

---

### **Honors and Awards**

2020	<b>Omicron Chapter of Delta Omega, Pitt Public Health</b>
2020	<b>SGS Student Travel Scholarship Award, 2020 SGS Annual Conference</b>
2018-2019	<b>Graduate Scholar in Aging Research Award, University of South Carolina</b>
2018-2019	<b>The Graduate Civics Scholar Program, University of South Carolina</b>
2017-2021	<b>The Behavioral-Biomedical Interface Program (BBIP), National Institutes of Health T32 pre-doctoral research training grant</b>
2017	<b>Outstanding ASEC Teaching Assistant, University of Pittsburgh</b>
2016	<b>Deans Day Award Recipient, Infectious Diseases &amp; Microbiology Master's Award, University of Pittsburgh</b>

---

## Journal Articles (Peer-reviewed)

1. **Resciniti NV**, Morgan M, Lohman MC. (In press) COVID-19 Incidence and Mortality among Long-Term Care Facility Residents and Staff in South Carolina. *Journal of the American Medical Directors Association*.
2. Lohman MC, Mezuk B, Fairchild AJ, **Resciniti NV**, Merchant AT. (July 2021) The role of frailty in the association between depression and fall risk among older adults. *Aging & Mental Health*. DOI: 10.1080/13607863.2021.1950616
3. Beyers M, **Resciniti NV**, Ureña S, Leith K, Brown M, Lampe N, Friedman D. (January 2021). An Evaluation of Dementia Dialogues®: A Nationally Registered Program for Informal and Formal Caregivers. *Journal of Applied Gerontology*. doi: 10.1177/0733464820986671
4. **Resciniti, NV**, Yelverton, V., Kase, B. E., Zhang, J., & Lohman, M. C. (January 2021). Time-Varying Insomnia Symptoms and Incidence of Cognitive Impairment and Dementia among Older US Adults. *International Journal of Environmental Research and Public Health*, 18(1), 351. <https://doi.org/10.3390/ijerph18010351>
5. **Resciniti NV**, Hong Y, McDermott S. (November 2020). Factors contributing to antihypertensive medication adherence among adults with intellectual and developmental disability. *Journal of Intellectual Disability Research*. doi:10.1177/1744629520961958
6. Ureña S, Ingram L, Leith K, Lohman MC, **Resciniti NV**, Rubin L, Miller M, Friedman DB. (August 2020) Mentorship and Training to Increase Diversity of Researchers and Practitioners in the Field of Aging and Alzheimer's Disease: A Scoping Review of Program Characteristics. *Journal of Aging and Health*. doi:10.1177/0898264320953345
7. **Resciniti NV**, Tang W, Tabassum M, Pearson JL, Spencer SM, Lohman MC, Ehlers DK, Miller MC, Teixeira A, Friedman DB. (March 2020). Knowledge evaluation instruments for dementia caregiver education programs: A scoping review. *Geriatrics & Gerontology International*, 20(5), 397-413. DOI: 10.1111/ggi.13901
8. Loman M, Sonnega A, **Resciniti N**, Leggett A. (January 2020). Frailty Phenotype and Cause-Specific Mortality in the US. *The Journals of gerontology. Series A, Biological Sciences and Medical Sciences*. doi:10.1093/gerona/glaa025
9. Quan N, **Resciniti NV**, Friedman DB, Lohman MC. (October 2019) A systematic review of interventions for loneliness among older adults living in long-term care

- facilities. *Aging Ment Health*. 2019;1-11. doi:10.1080/13607863.2019.1673311
10. Lohman M, **Resciniti N**, Wirth M, Shivappa N, Hebert J. (March 2019) Obesity, Dietary inflammation, and Frailty among Older Adults: Evidence from the National Health and Nutrition Examination Survey, *Journal of Nutrition in Gerontology and Geriatrics*, 38:1, 18-32, doi:10.1080/21551197.2018.1552226
  11. **Resciniti NV**, Lohman MC, Wirth MD, Shivappa N, Herbert JR. (February 2019) Dietary Inflammatory Index, Pre-Frailty and Frailty among Older US Adults: Evidence from the National Health and Nutrition Examination Survey, 2007-2014. *J Nutr Health Aging*. 2019;23(4):323-329. doi:10.1007/s12603-019-1164-3
  12. Rovito MJ, Rivers KO, Rovito KE, Goss T, Talton W, Siguenza A, Alfonso G, **Resciniti NV**. (January 2017) A “Structured” Phenomenological Approach to Promoting Health Among Young Adult and Adolescent Males. 1 Jan. 2017: 23 – 32. doi:10.3233/jid-2017-0003

### **Journal Articles (Under Review, Submitted, or In Progress)**

13. Rubin L, Ingram L, **Resciniti NV**, Ashford-Carroll B, Rose A, Leith K, Urena S, McCollum Q, Friedman D. (Submitted) Genetic Risk Factors for Alzheimer’s Disease in Racial/Ethnic Minority Populations in the U.S.: A Scoping Review. *Ethnicity & Health*.
14. **Resciniti NV**, Lohman MC, McLain AC. (In progress). Association between Frailty and Cognitive Impairment Over Time: An 8-year Longitudinal Follow-up. *Aging & mental health*.
15. **Resciniti NV**, Lohman MC. (In progress). Evidence for mediation by depressive symptoms in the association between frailty and cognitive decline among community-dwelling older adults. *Age and Ageing*.

---

### **Invited Presentations**

1. University of Central Florida, Department of Health Sciences, Epidemiology of Chronic Diseases (HSC 4501). The Epidemiology of Alzheimer’s Disease and Related Dementias. *Guest Lecturer*. April 6<sup>th</sup>, 2020.
2. Graduate School, University of South Carolina. “#GRADprofdev: Creating a Better Poster.” Webinar and Panel Discussion. *Panelist*. April 7<sup>th</sup>, 2020.
3. Epidemiology and Biostatistics, Arnold School of Public Health, University of South Carolina. “Russian Bots and Trolls and the Weaponization of Health Communication on Social Media.” Seminar and Panel Discussion. *Opening Remarks and Introductions* (Co-organizer). February 28<sup>th</sup>, 2020.

4. Chester and Fairfield Data Walks, Chester County, South Carolina. “Physical Activity and Chronic Disease: The Current State of Chester and Fairfield Counties.” *Presenter*. November 6<sup>th</sup>, 2019.

### Conference Podium Presentations

1. **Resciniti NV**, Tang W, Tabassum M, Al-Hasan D, Lohman MC, Spencer M, & Friedman DB. A scoping review of knowledge evaluation instruments for formal and informal dementia caregiver programs. 71<sup>st</sup> Annual Scientific Meeting of the Gerontological Society of America, Austin, TX, November 13-17, 2019 (Symposium Presentation)

### Conference Poster Presentations

1. **Resciniti NV**, Fuller M, O’Shields KR, Seller JE, Diedhiou A, Eghtedary K, Lohman M. *Descriptive Analysis of COVID-19 Among Older Adults in South Carolina*. Annual Meeting of the Council of State and Territorial Epidemiologists (June 2021), Pittsburgh, PA.
2. **Resciniti NV**, Seller JE, O’Shields KR, Diedhiou A, Eghtedary K. *COVID-19 in South Carolina: Effectiveness of Mask Ordinances*. Annual Meeting of the Council of State and Territorial Epidemiologists (June 2021), Pittsburgh, PA.
3. Seller JE, **Resciniti NV**, O’Shields KR, Diedhiou A, Eghtedary K. *Prioritizing COVID-19 Testing in South Carolina*. Annual Meeting of the Council of State and Territorial Epidemiologists (June 2021), Pittsburgh, PA.
4. **Resciniti NV**, Lohman M, Merchant A. *Evidence of Mediation by Depressive Symptoms in the Association Between Frailty and Cognitive Decline in Older Adults*. Annual Meeting of the Gerontological Society of America (Nov 2020), Philadelphia, PA.
5. Lohman M, Sonnega A, **Resciniti N**, Leggett A. *Differences in Cause-Specific Mortality between Frail Men and Women in the US*. Annual Meeting of the Gerontological Society of America (Nov 2020), Philadelphia, PA.
6. Lohman M, **Resciniti N**, Merchant A. *Disentangling and Quantifying Mechanisms of Increased Fall Risk among Older Adults with Depression*. Annual Meeting of the Gerontological Society of America (Nov 2020), Philadelphia, PA.
7. **Resciniti NV**, Kase B, Yelverton V, Lohman MC. (April 2020). *Time-Varying Insomnia Symptoms are Associated with Cognitive Impairment and Dementia in Older US Adults: A Survival Analysis Using the Health and Retirement Study*. Southern Gerontological Society Annual Conference, Norfolk, Virginia.

8. **Resciniti NV**, McNeil J, Lohman MC. (November 2019). *Association Between Frailty and Development of Cognitive Impairment: Evidence from the Health and Retirement Study*. Gerontological Society of American Annual Scientific Meeting, Austin, Texas.
9. **Resciniti NV**, Lohman MC, Friedman D, Ingram L, Marsh A. (April 2019). *Perceived Mental Health and Caregiver Knowledge of Dementia Caregivers: A Focus Group and Qualitative Analysis*. Discover USC Day, Columbia, South Carolina.
10. **Resciniti NV** and Lohman MC. (November 2018). *Dietary Inflammatory Index, Pre-Frailty and Frailty among Older US Adults: Evidence from the National Health and Nutrition Examination Survey, 2007-2014*. Gerontological Society of America Annual Scientific Meeting, Boston, Massachusetts.
11. **Resciniti NV**. (April 2016). *A collaborative approach to promoting smoke-free campus policies in Allegheny County*. Dean's Day Annual Student Poster Competition, Pittsburgh, Pennsylvania.
12. **Resciniti NV**, Rovito MJ. (April 2015). *Divorce, separation, mental health and risky behaviors among fathers: what are the connections and how does it affect family health?* Showcase of Undergraduate Research Excellence Annual Conference, Orlando, Florida.
13. Rovito MJ, Rivers K, Rovito KE, Johnson F, **Resciniti NV**. (March 2015). *Measuring Social Indicator Influence upon Adolescent Male Behaviors*. American Men's Studies Association Annual Conference, New York, NY.
14. **Resciniti NV**, Rovito MJ. (February 2015). *Divorce, separation, mental health and risky behaviors among fathers: what are the connections and how does it affect family health?* Florida Undergraduate Research Conference, Daytona Beach, Florida.

**Grants (Reviewed/not funded)**

**PI: Resciniti, NV.** Clostridium difficile infection as a marker for microbiome disruption and the association between inflammation, cognitive decline, and Alzheimer's disease and related dementias (F31). National Institute on Aging

---

**Academic Service**

2020	Graduate Civics Scholar Program Application Review, Graduate School, UofSC**, <i>Committee Member</i>
2019-2021	Epidemiology Student Ambassador, ASPH*, UofSC**

2019-2021	Epidemiology and Biostatistics Student Group, ASPH*, UofSC**, <i>President and Founder</i>
2019-2021	Epidemiology Faculty Search Committee, ASPH*, UofSC**, <i>Committee Member</i>
2018-2020	Epidemiology and Biostatistics Journal Club, ASPH*, UofSC**, <i>Facilitator and Organizer</i>
2018	Health Data Symposium, Columbia, SC, <i>Abstract Reviewer</i>
2018	Discover USC Conference, UofSC, <i>Poster Reviewer</i>
2017-2019	American Public Health Association Governing Council, <i>Epidemiology Governing Councilor</i>
2016	Pitt Public Health Student Government Association, <i>President</i>

\*Arnold School of Public Health  
\*\*University of South Carolina

---

### Teaching Experience

2020	Teaching Practicum – EPID 741
2016	Teaching Assistant – Stat 200, <i>Recitation Leader</i>
2015	Summer Research Academy Peer Mentor, <i>Teaching Assistant and Peer Mentor</i>
2014- 2015	Applied Health Research Methodology, <i>Teaching Assistant</i>

---

### Journal Peer Reviewer

International Journal of Environmental Research and Public Health  
 Journals of Gerontology, Series B: Psychological Sciences  
 Disability and Health Journal

---

### Professional Organizations and Affiliations

The Gerontological Society of America  
 The Office for the Study on Aging  
 Alzheimer’s Impact Movement  
 American Public Health Association

---

### Research and Work Experience

2020-2021	<b>South Carolina Department of Health and Environmental Control, <i>Lead data analyst</i></b>
2019-2021	<b>University of South Carolina, <i>Graduate Research Assistant</i></b> PI: Matthew Lohman Grant: Mechanisms of Increased Fall Risk among Older Adults with Depression: A Causal Mediation Analysis; 1R21AG064310-01
2017	<b>Neurodegeneration in Aging Down Syndrome, Western Psychiatric Institute</b>

2016 **& Clinic, Research Project Assistant**  
**California Department of Public Health, Foodborne Disease Investigation**  
*Student Intern*

2015 **Allegheny County Health Department, Student Intern**
