GERO 486: AGING AND OLDER ADULTS IN LATIN AMERICA
Dr. Jennifer Ailshire

July 31 - August 4, 2023: via Zoom
August 5-11: in Colombia

- Travel to Colombia to study services and programs that provide opportunities to optimize the quality of life of older adults in the area through health promotion, disease prevention, social activities, and daily assistance and rehabilitation.

- Explore a multifaceted perspective on the social, economic, health care, and environmental contexts experienced by older adults in Colombia.
